Dear Peter

Thought we would drop you a line to thank-you and the boys for all your hard work converting our barns.

We must say that some builders have a bad reputation for being unreliable but you have restored our faith. Never have we known builders to be on time and at work every single day without fail. Your work was exemplary and your professionalism yet friendliness was unsurpassed.

We would not hesitate to recommend you to any future clients and wish you every success in the future

Kind regards

TERRY AND TERESA REES AND FAMILY
